

Movie Review

This is an individual project.

Things to include:

- Introduction (with title, release date, background information)
- Summary of the story
- Analysis of the plot elements (rising action, climax)
- Creative elements (dialogues, characters, use of colors, camera techniques, mood, tone, symbols, costumes or anything that contributes or takes away from the overall plot)
- Opinion (supported with examples and facts from the story)
- Conclusion (announcing whether the filmmaker was successful in his/her purpose, re-state your evidence, explain how the motion picture was helpful for providing a deeper understanding of course topic)

Your video must last between 1-3 minutes (shorter is better).

Your movie should be PG-13 or lower and school appropriate.

It should be cleanly edited with no outtakes.

You need a title at the beginning (the name of your movie) and credits at the end.

Consider adding clips or still pictures from your movie to your review to emphasize your points.
